

## The coir manufactory visit

A one hour neighbourhood experience at purity

Rate: 500 INR or 8 EURO per person including the tuk-tuk ride

Muhamma is the closest village to purity, 2 km away.

Its economy depends largely on the cottage industry of coir weaving, a natural product of the coconut fibre.

We take you to a 60 years old coir manufactory.

Organized as a co-operative society and owned by the workers it is committed to the traditional handcrafted work process.

The visit will take you through the entire work process from the material to the product.
